

14-Day Risk Free Return & Exchange Policy

Any Superlight product ordered may be returned for a store credit, or exchange for another item to the same value at any time within 14 days of delivery.

Provided a valid GRA has been issued prior, a store credit will be generated after the items returned.

Products that are excluded from this policy are:

- Custom Made Products
- Special Orders
- Products that have been used or are without original packaging.

Please note:

A valid GRA (goods return authority) must be obtained from Superlight prior to the return of any items.

Items returned without an accompanying GRA will not be eligible for any credit or exchange.
