

SL2210 SAMSUNG GU10 LED LAMP

The Superlight SL2210 is a high quality 10W LED GU10 downlight lamp suitable for new and existing projects. The universal GU10 base and conventional GU10 dimensions allow the SL2210 lamp to be retro-fitted into any existing GU10 light fitting.

The lamps incorporate very advanced passive-cooling heatsink design and superior Samsung LED chip for significantly increased light-output performance & illuminance.
