

## SL5234 NEMO V3 ROTARY WIRELESS DIMMING CONTROLLER

Superlight Nemo V3 is a classically designed wall dimmer that operates 100% wirelessly. The controller is battery powered and can be installed in any location. The Nemo controller can be paired with any Superlight wireless receiver unit at a distance of up to 50mtrs. Superlight Nemo controllers fit into standard size wall boxes and offer the appearance of a luxury switch/dimmer but are totally wireless. This makes Superlight Nemo ideal for projects where cable access is difficult or expensive.
