S-Clip Wall Support

T-Clip Support Bracket

Please be aware that the loading capacity of the Superlight SL8330 wardrobe rail can be compromised by overloading with hanging clothing articles, potentially resulting in unwanted flex. To ensure optimal rigidity and stability, it is advisable to assess the total weight of the intended load and consider the installation of mechanical support accessories, such as T-Clip and S-Clip support brackets (sold separately), if necessary.

All product specifications are subject to change without notice. Superlight accepts no liabilities as a result of errors, updates or omissions. Please re-confirm all product details prior to ordering.
